

GOLDEN VALLEY TREE PARK

TREES AVAILABLE for SPONSORSHIP

Tree Sponsorships provide the main income source for our community managed arboretum. Your sponsorship is much appreciated.

To order a tree sponsorship please complete the online form on our website.

Each tree has a grid reference that helps you locate it on the park map.
All prices quoted are inclusive of GST.

WORLD COLLECTION

OAKS

Golden Valley Tree Park has the largest oak collection in WA. Most of these trees are rare in Australia. Some listed below date to our first oak plantings in the 1980s and are already large trees.

Quercus acutissima, Sawtooth Oak 2007 Korea. #1248
A fast growing oak with golden autumn foliage. (T 9) \$250

Quercus castaneifolia, Chestnut leafed Oak 1994 Caucasus & Iran. #806
Is semi-evergreen. (O 8) \$250

Quercus cerris, Turkey Oak 2007 Asia Minor. #1256 (T 8) \$250

Quercus coccinea, Scarlet Oak 2015 South east Canada. #3547 and #3548
A choice of two, young but promising. (U 8) & (W 8) \$320 each

Quercus douglasii, Blue Oak, 2015 Sierra Nevada. #3549
Drought tolerant deciduous oak. (U 7) \$200

Quercus engelmannii, Engelmann Oak 2015 Southern California. #3550
Beautiful rare oak from California, surveying the main oak grove. (U 7) \$200

Quercus ilex, Holm Oak 1988 South west Europe. #424, and #830
Prolific evergreen acorn producer important in traditional Mediterranean farming.
Choice of two. (Q 10) \$250 each

Quercus macrocarpa, Burr Oak 1988 North America. #358
Oak with woven acorn cups. (Q 11) \$250

Quercus macrolepsis, Vallonea Oak 1999 Eastern Mediterranean. #815
Evergreen with outstanding character acorn cups worth collecting. (P 9) \$250

Quercus phellos, Willow Oak 1988 South East USA. #621 One of the most
ornamental of the oaks, this magnificent tree is in the Chinampa. (I 6) \$290

AUTUMN COLOUR & other INTERESTING SPECIES

Acer palmatum, Japanese Maple 1986 Japan. #425
One of the best autumn displays in the Park. Visible from the road, but on a steep
slope so hard to access. (K 7) \$250

Acer saccharinum, Silver Maple 1986 Eastern USA. #421
The Park's only Silver Maple is well grown and lovely but access is on a slope.
(K 7) \$250

Afrocarpus falcata, Yellowwood 2018 South Africa.
Growing into a large handsome podocarpus species. (T 20) \$250

Butia capitata, Wine Palm 1992 Chile. #1008 and #1009
The delicious autumn berries of this pair can be intoxicating! His and hers?
To be found growing at the bridge. (O 14) \$340 for the pair

Calocedrus decurrens, Californian Incense Cedar 1997 West coast USA.
A group of globular conifers from California's amazing coniferous heritage at situated
at (L11) Two of these are available, priced at \$270 each

Carya illinoensis, Pecan 1999. #1081 On the Bibbulman Track. (U 19) \$250

Cedrus deodara, Deodar Cedar 2017 West Himalyas. #3537
This beautiful conifer near the Duck Pond will become a GVTP feature tree.
(S 19) \$340

Celtis occidentalis, Nettle Tree (Hackberry) 1999 North America.
#716 and #717 Right on the Bibbulman Track. (M 10) \$120 each

Celtis australis, Southern Nettle Tree 1999 SW Asia. #706 and #1032
On the Bibbulman Track. (M 10) \$120 each

Ceratonia siliqua, Carob 1993 East Mediterranean. #798 and #1023
Strong trees but male, so no pods. (O 8) \$180 each

Livingstonia australis, Australian Fan Palm 1992. #3492
Prominent in the Chinampa. (H 6) \$180

***Magnolia grandiflora*, Evergreen Magnolia** 2006 SE North America. #1206
A young tree beginning to flower. Next to the welcome foot bridge. (P 13) \$340

***Malus floribunda*, Crab Apple** 2004 Garden cultivar. #1004
Next to the car park. (P 12) \$99

***Pinus brutia*, Turkish Pine** 2007 Turkey & Greece #1255
The species that gained iconic status at Gallipoli, growing strongly. (S 7) \$270

***Plantanus occidentalis*, American Plane** 2003 Eastern USA. #1040
(V 11) \$270

***Plantanus occidentalis*, American Plane** 2003. Eastern USA. #1029
In the maple grove. (L8) \$250

***Populus alba x alba*, Maghreb Poplar** 2005 North Africa.
The Tree Park's 'entry statement', beside the road near the Homestead.
Lovely rare silver leafed poplars. Disabled access. Would suit a group or a family.
(E 5) \$120 each

***Populus nigra "Italica"*, Lombardy Poplar** c1935 Northern Italy. #153
A tall, columnar tree with lots of tales to tell. (Q10) \$250

***Populus serotina "Aurea"*, Golden Poplar** 1937 Selected cultivar. #203
This beautiful large tree grows next to the bridge at (N 13). Disabled access.
The loveliest of all the Poplar species. \$290

***Populus serotina "Aurea"*, Golden Poplar** 1937 Selected cultivar. #748
A second huge one, growing near the old well. (O 10) Also \$290

***Pyrus salicifolia*, Weeping Silver Pear** 1999 Caucasus & Turkey.
#708, #709 and #719 Small ornamental with silver foliage.
On the Bibbulman Track. (L 10) \$130 each

***Robinia pseudo acacia*, Black Locust** c1950s Eastern USA. #045
One of the original trees. (S 11) \$190

***Salix matsudana "tortuosa"*, Corkscrew Willow** 1985 China & Korea. #746
A large character tree situated on the creek. (M 10) \$160

***Salix nigra*, Black Willow** 1993 North America. #743 and #745
Tall and vibrant willows in a pair next to the creek in a peaceful location. (N 11)
\$250 each or \$340 for the pair.

***Taxodium mucronatum*, Montezuma Cypress** 2015 Mexico & Guatemala.
#3560 An iconic giant species, very rare in Australia. (M 10) \$225

***Taxus baccata "aurea"*, Golden Yew** 2006 North Africa & Europe. #1011
If you seek a tree that will live a thousand years, here is your candidate!
Slow growing but can live for many centuries, this species is of pagan significance.
Is in a prominent position on the Chinampa. (H 6) \$250

HERITAGE GROVE

Over a hundred years old, this special grove of magnificent heritage trees is growing in a peaceful glade near the creek at the entrance to the arboretum, alongside the Bibbulman Track. Very peaceful except for the trickle of the winter creek. \$999 each

Platanus x acerifolia, London Plane c1910. #512

Ulmus procera, English Elms c1910. #510, #507, #505, #503 and #601
Also #287, #599, and #597

Quercus Robur, English Oaks c1910. #509 and #600

Quercus Robur "Concordia", English Oak "Concordia" c1910. #504

Quercus Palustris, Pin Oak c1910. #598 \$999 each

AUSTRALIAN COLLECTION

TREE GROVES

Eucalyptus saligna, Sydney Blue Gum 1987 NSW & Qld.
One of the most attractive stands in the arboretum, this beautiful grove of huge pale barked eucalypts is still growing. (K 16) \$290 each tree.

Casuarina cunninghamiana, River Sheoak 1987 NSW, Qld & NT.
Everyone likes this shady glade. (L 15) \$150 each tree.

Syncarpia glomulifera, Turpentine 1990 NSW & Qld. #2901
A glossy rainforest tree in a semi-circular planting of five strong trees (J 16)
\$450 for the group of five

OLD GROWTH TREES

Corymbia calophylla, Marri Southwest WA, wildling.
This magnificent old growth tree is in the car park.
There is also one at the breakaway next to the Hill View track. (D 14) \$340 each.

WESTERN AUSTRALIAN TREES

Golden Valley has a significant collection of Western Australian trees including:

Acacia microbotrya, Gum Wattle 1987 WA wheatbelt.
Right next to the beginning of the Wattle Walk. (H 14) \$90

Eucalyptus argyphaea, Silver Mallet 2009. A tree from our biodiverse
Western Woodlands with a smooth shiny bark. (K 19) \$180

Eucalyptus astringens sub sp. astringens, Brown Mallet. From Moora to
Hyden, this mallet is the tree of the inland South West. (I 19) \$150

Eucalyptus clivicola, Green Mallet 2009. Grows from north of the Stirling Range
to east of the Ravensthorpe Range. (I 19) \$150

Eucalyptus gardneri subsp. gardneri, Blue Mallet 2009.
Grows from Brookton-Kojonup to Narembeen-Kulin, and near Cadoux.
The blue mallet is lovely. (J 20) \$160

Eucalyptus gomphocephala, Tuart 1980 Swan Coastal Plain.
The iconic tree of Perth grows well all over the Southwest region.
Large specimens growing at the top corner. (C 21) \$150

Eucalyptus longicornis, Red Morrel. A tree of the central and southern wheatbelt
and Great Western Woodlands. Next to the Hill View Track. (J 19) \$150

Eucalyptus macrocarpa, Mottlecah 1982.
Found on sand plains from Geraldton to Pingelly, restricted in the wild.
This species has silver foliage and striking summer flowers. (D 20) \$180

Eucalyptus megacornuta, Warded Yate 1982.
Very rare tree from the Ravensthorpe Range. (E 19) \$240

Eucalyptus melanophitra 2009. This mallet has a very restricted range from
Pallinup River - Corackerup Creek to Boxwood Hill. (H 20) \$150

Eucalyptus newbeyi, Beaufort Inlet Mallet 2009. Named after a WA landcare
legend Ken Newbey, its natural range is restricted to the Beaufort Inlet and
Fitzgerald River National Park, but it is ranging in Balingup. (I 19) \$150

Eucalyptus occidentalis, Flat topped Yate 2009. Distinctive gully species of the
South coast region. Growing next to the Hill View Track. (J 19) \$150

Eucalyptus ornata, Ornamental Silver Mallet 2009.
Restricted area from north east of Kondinin to north east of Hyden. (I 19) \$150

Eucalyptus praetermissa, 2009. Another unusual mallet with a restricted range
around the Beaufort Inlet and Fitzgerald River National Park. (I 19) \$150

Eucalyptus preissiana, Bellfruited Mallee 1982 Stirling Range to Stokes Inlet.
Rare. Striking large yellow flowers in winter. (E 19) \$240

***Eucalyptus recta*, Mt Yule Silver Mallet.** Very rare, with a scattered & very restricted distribution the south east of Moora and Cadoux. (H 20) \$150

***Eucalyptus salmonophloia*, Salmon Gum** 2009. A very lovely tree, with smooth reddish pink bark in late summer. \$250

***Eucalyptus sepulcralis*, Weeping Gum** 1982 Fitzgerald River National Park. A ghostly silver weeping tree. Rare. \$180

***Eucalyptus spathulata*, Swamp Mallet** 1984. Avon and wheatbelt region. Has a sumptuous copper bark. Growing next to the Hill View track. \$180

Eucalyptus tenuis 2009. An unusual Mallet from east of Hyden and Lake King to east of Norseman and south of Coolgardie. (H 18) \$150

TALL EUCALYPTS

All these trees are well established, large trees growing around the Tall Gum Short Walk. We anticipate they will grow into very tall specimens. \$270 each.

***Eucalyptus dives*, Broad-leafed Peppermint** 1987 Vic & NSW. (I 15)

***Eucalyptus maidenii*, Maiden's Gum** Southern NSW. (I 13)

***Eucalyptus muellerana*, Yellow Stringybark** 1987 NSW & Vic.
Next to the car park.

***Eucalyptus tereticornis*, Forest Red Gum (x2)** 1987 Qld & NSW.

***Eucalyptus sieberi*, Silvertop Ash** 1987 NSW & Vic. (I 14)

OTHER AUSTRALIAN TREES

***Acacia doratoxylon*, Spearwood** 1987 NSW, ACT & Vic. (F 13) \$90

***Acacia melanoxylon*, Blackwood** 1987 Tas & Vic. (K 13) \$120

***Alphitonia excels*, Soap Tree** 1991 North east Australia.
Large tree in the rainforest glade. (L 15) \$160

***Araucaria bidwillii*, Bunya Pine** 1989 Queensland.
These trees are getting pretty big & growing! At the new picnic site. (J 9) \$250

***Araucaria cunninghamii*, Hoop Pine** 1990 Qld & NSW.
This advanced tree is in the rainforest glade. (K 16) \$220

***Backhousia citriodora*, Lemon Myrtle** 1990 South Queensland.
This fragrant rainforest species is a delicious culinary favourite. (L 16) \$160

***Brachychiton discolor*, Kurrajong** 2006 An Aussie classic. (F 19) \$160

***Brachychiton rupestris*, Bottle Tree** 2009 Queensland. (G 18) \$180

***Callitris glaucophylla*, White Cypress Pine** 1986.
Small pockets found in all mainland States. A fine specimen. (C 12) \$180

***Eucalyptus nicholii*, Narrow leafed Peppermint Gum** 1984 NSW.
In a pair, these are magnificent specimens. (D 12) \$200 each

***Hymenospernum flavum*, Native frangipani** 2015 Qld & NSW.
This rainforest species has fragrant flowers. (L 16) \$160

***Melia azerderach*, Cape Lilac** 1996. Yes, this is an Australian tree from the
Kimberley & across the Australian tropics. In the car park at (J 11) \$160

***Stenocarpus sinuatus*, Firewheel Tree** 1990 NSW rainforest. #2829
(L 15) \$180

***Wollemi nobilis*, Wollemi Pine** 2014 Wollemi National Park, NSW.
(L 16) \$340
