

Tall Gums Short Walk

Meet striking east coast gums, some Australian rainforest trees, and an enchanting Blackwood and Sheoak grove.

Just follow the green arrows and gum leaf logo.
15 mins return. Easy Walk

Wattle Walk

Lovely when the Wattles bloom in spring but enjoy meeting native pine trees and having a brief wheatbelt experience in the Oil Mallees in any season.

Just follow the gold arrows with the wattle blossom logo.
30 mins return. No formed path.
Cairn walk.

Australian Collection Walktracks

Hill View Track

Sandalwood in the breakaway, Mottlecah on the ironstone and lookout across the plateau through the Kurrajongs.

Just follow the blue arrows with the mottlecah gumnut logo.
45 mins return. No formed path.
Cairn walk.
Sturdy footwear advised
