

How Tree Sponsorships Work

You can sponsor your own tree, a tree for your family or someone dear to you and help the work of the arboretum. The tree sponsorships are an important source of funding for Golden Valley Tree Park. They fund the acquisition, establishment and care of trees by our volunteer workforce, as well as the provision of visitor information.

Please select your tree from the "List of Trees Available", which you will find below. This list is updated from time to time. It does not include any very recent plantings, nor can we plant to request, as we prefer to test the viability of each and every tree before allocating its dedication. So whilst no tree can be guaranteed, we do our utmost to ensure that each tree dedication will last for many years, and satisfy the needs of our sponsors. The date that your tree was established can be found on the list.

Please send your choice from that list together with a cheque made out to Golden Valley Tree Park Inc for the cost of that particular tree & mail to
Tree Sponsorship Secretary
Golden Valley Tree Park Inc
PO Box 65
Balingup
WA 6253.

Please accompany the correct payment with:

**your name *your address *your email address *phone number*

**the name of the tree & *the name for the plaque dedication on the form below.*

Make sure you have also read the conditions attached below.

As soon as possible after the receipt of this application we will ensure your tree has a wooden post with the tree name and your name dedication, as you have requested, on engraved plaques. Most trees on the list below already have such posts ready to use and the dedication plaque can be ordered and installed within weeks. You will receive a receipt and confirmation, and with the help of the grid reference provided you can locate the tree using the map in our brochures to be found at each car park at the Park.

If you would like more information on the sponsorship system or about any of our trees, please ph 08 97641062.

Thank you very much for your support.
